Carla,

Sorry, I just confirmed the hours and workers with Mike Godsy. There were 2 deliveries that took

about 4 hours of work for each delivery. Basically, it's 8 hours charged per position:

1 Laborer  
1 Operator Engineer (drives the machine that carries the boulders)  
1 Supervisor

I think we're both on point.

Thank You,

For BUF we had one gardener and one laborer 8 hours each. (2 days at 4 hours each).

Matt's team had most of the labor. Looping in Keanway to help with that.

Thanks. I've got the PO's. Now, I need to confirm the labor costs.

Two service orders, grand total was about \$8000. Mary Ann, can you pull the two POs for Arnold?

Good Morning,

Would anyone know anything about boulders placed under the 101 overpass? If there's a service order, that would make research easier. Thanks.

Hi everyone,

How much did we spend on the boulders at the hairball (under the 101-overpass at Cesar Chavez and Potrero)? I need this number this morning if possible.

Thanks,

Bruce
